2021 - 2025

Senior Secondary

Bal Bharati Public School, Pitampura, Delhi
2019- 2021 | Percentage: 90.6 %

PROJECTS

NETFLIX CLONE

- Developed a single-page web app using HTML and CSS, featuring videos, SVGs, a form, a drop down menu for language selection, and a footer section.

PLANET SELLING E- COMMERCE

- Created a multi-page web app with HTML and CSS, showcasing planet details through a "View Details" option. Includes a query form and contact details.

E- COMMERCE APP

- Built a single-page web app with HTML and CSS, featuring a navigation bar, banners, product cards (with names, ratings, and prices), icons, and a card-like design for products.

INVENTORY MANAGEMENT SYSTEM

- Designed a desktop-based application in Java using NetBeans IDE and MySQL.
- Features include record insertion, deletion, updates, item ordering, and bill viewing. Added a "show password" functionality on the login interface for ease of use.
